YOUTH RED CROSS UNIT

Report On Blood Donation Camp

A Blood donation camp was organized by our Youth Red Cross unit, in collaboration with NSS unit on 14th June 2023 on the eve of World Blood Donor Day, It was held in the Youth Red Cross hall. All the preparations such as arrangement of beds, sanitization etc was made. A team of doctors and nurses from the Indian red cross society, vijayapur had reached in time. The Chief Guest of the Camp was the Chairman, IRCS-District Branch, vijayapur. He inaugurated the Camp by cutting the ribbon, through which 55 units of blood was donated by both students and the staff members of our college. It is a way of our college gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated.
