Guest Lecture - Advanced Features of Web Technology

The department of Computer Science has organised the Guest Lecture on 10th August, 2023 for BSc VI semester students. The resource person - **Prof. GIRISH KULKARNI, Coordinator of dept. of MCA, BLDEA's V.P.Dr.P.G.Halakatti College of Engineering & Technology**, Vijayapur has delivered a lecture on the topic "Advanced Features of Web Technology". He has published number of papers in National and International Journals. He has delivered lectures in various organizations and Universities. He also chaired technical session in National and International Conferences. The Guest Lecture has conducted in Lecture Room No. 12, at 11.00 am. Totally 40 students participated in this Guest Lecture.

The speaker explained about how the Advanced Web Technology is widely used in the era of web development. It is also used to simplify data storage and data sharing. He explained the advanced features like AJAX, JavaFX and Microsoft Silverlight and advantages of Web Technology.

The recent works on Web Technology projects handled by their team were discussed and finally research directions in the area of Web technologies are shared with the participants. After his lecture the students were given time to interact with him. Students felt that the session was more informative and interactive. At the end of the guest lecture, two students gave their feedback, and explained how they were benefited.
