Report on TED Talk

“Scientist and their Discoveries in Chemistry”

On 23rd June 2023, the Department of Chemistry initiated a TED-TALK on “Scientist and their Discoveries in Chemistry”. The Main objective of TED-TALK to make students aware of some famous scientists and their most remarkable inventions and discoveries. Invention is something you create by experimentation, where as discovery is finding out that already exists.

This talk is organized for B.Sc-II, IV & VI students. The students were benefited with this talk.

In this talk, there are images of famous chemists or other scientists who made significant contributions to the field of chemistry. Pictures containing multiple famous chemists appear first.
