Report on TED Talk

The Department of social work had organized a Ted-Talk on "Challenging yourself is the key to achieving your endeavors." The Speaker spoorthi vishwas founder, and director of IWAA-Indian women Achievers and KWAA-Karnataka Women Achievers Award details how your greatest taskmaster is yourself. A single decision made with fervor can change your life, which might not always be in your favor initially, but the hardest decisions have the most impactful outcomes. All it takes is that one drop of courage to break the dam of monotony and complacency.
