Report on TED Talk

"The Best Stats You've Ever Seen"

The department has organized Ted-Talk on the topic "The Best Stats You've Ever Seen by Hans Rosling" on 20th June 2023 for the students.

This talk has organized for BSc II, IV & VI Sem. Students. The students were benefited with this talk. Their response was very positive.

From this talk assume that you've ever seen data presented like this, with guess again, whether "Which country has the highest child mortality of the five pairs", says Statistician guru Hans Rosling .

In this delightful talk, number of children per women on the size of the families in all countries life expectancy at birth in global health . He concluded that "Long life and small family, Short life and large family".
